

**Calaveras County Water District – Phase 1: Stanislaus River
Reconnaissance-level Conjunctive Use Evaluation
Local Groundwater Assistance Program; Proposition 84, Chapter 2
Attachment 3 – Status of GWMP**

The information listed below must be provided. The applicant does not have to be the entity responsible for the GWMP, but the proposed project must be in an area managed under the GWMP and must support the goals and objectives of the GWMP. Where relevant, a specific reference to the location of information in the GWMP should be provided.

For applicants with an adopted GWMP – A GWMP may consist of a plan adopted under CWC Section 10750 and 10753 *et seq.* or other authority. Alternatively, a local agency may have some other formal groundwater management program. Examples include a county groundwater ordinance, a court ordered adjudication and a groundwater management component of an IRWM Plan. Such equivalent programs are collectively referred to in this part as a “GWMP.”

Provide evidence that the GWMP has been officially adopted, such as a copy of the signature page of the GWMP with the dates and an official seal, an official public notice of recording, or a signed resolution. The date of adoption must be clearly evident in the submittal.

For applicants without an adopted GWMP – If the GWMP has not been adopted, provide a copy of a draft GWMP, if available, and state when the plan is expected to be adopted. If the proposal is to develop a GWMP, an adoption date must be in the schedule and the work plan must include work toward adoption. Documentation of intent to develop and adopt a GWMP can be submitted in various forms including a MOU, JPA, a court order, or a work plan to add a groundwater management component of an IRWM Plan.

The Integrated Regional Groundwater Management Plan (IRGMP) for the Modesto Sub-Basin was adopted on August 2, 2005; by Oakdale Irrigation District Resolution No. 2005-23. Resolution No. 2005-23 is attached as evidence that the Integrated Regional Groundwater Management Plan has been officially adopted.

Six agencies covering the Modesto Groundwater Subbasin formed the Stanislaus and Tuolumne Rivers Groundwater Basin Association (Association) to provide a forum for coordinated planning and management of the subbasin. The six agencies include: City of Modesto, Modesto Irrigation District, City of Oakdale, Oakdale Irrigation District, City of Riverbank and Stanislaus County. The Association has developed the IRGMP in compliance with the Groundwater Management Planning Act of 2002 (SB 1938) and the Integrated Regional Water Management Planning Act of 2002 (SB 1672).

The IRGMP planning area includes the entire Modesto Groundwater Subbasin and part of the Eastern San Joaquin Groundwater Subbasin and includes all or most of the service areas of the six agencies constituting the Association.

**OAKDALE IRRIGATION DISTRICT
RESOLUTION NO. 2005-23**

**INTREGATED, REGIONAL
GROUNDWATER MANAGEMENT PLAN**

WHEREAS, in September 2002, the State of California passed two laws, (SB 1938 and SB 1672), which encourage local agencies to work cooperatively in the preparation of integrated, regional groundwater management plans; and

WHEREAS, adoption and implementation of said plan will enable the Stanislaus and Tuolumne Rivers Groundwater Basin Association, and hence Oakdale Irrigation District, to apply for funds and grants; and

WHEREAS, the implementation of the Integrated, Regional Groundwater Management Plan and the performance of specific actions identified in the plan will enable a better understanding and management of the groundwater basin will be possible;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Oakdale Irrigation District do hereby adopt the Integrated, Regional Groundwater Management Plan. This resolution will remain in effect until revocation or amendment by the Board of Directors of the Oakdale Irrigation District.

Upon Motion of Director Brichetto, seconded by Director Taro, and duly submitted to the Board for its consideration, the above-titled Resolution was adopted this 2nd day of August, 2005.

OAKDALE IRRIGATION DISTRICT

Frank B. Clark
President

Steve Knell, P.E.
Secretary
